

Remarks

The Examiner has alleged that the claims do not satisfy the unity of invention requirement and required election of one the following three groups of claims:

Group I: Claims 1-6, drawn to a plating solution of Fe and Pt;

Group II: Claims 7-10, drawn to a plating process; and

Group III: Claim 11, drawn to an apparatus for plating.

Applicants hereby provisionally elect Group I, claims 1-6, with traverse.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
